

TEAM MEMBER HANDBOOK

ACKNOWLEDGEMENT FORM

WELCOME TO BARTON MALOW FAMILY OF COMPANIES!

The Team Member Handbook ("handbook") is provided for your use in learning about Barton Malow Family of Companies and the benefits that are offered to team members.

The handbook is provided either in electronic PDF or printed form and we request that you please acknowledge receipt of the handbook by signing the acknowledgement statement below.

I have received a copy, either in PDF or printed form, of the Team Member Handbook ("handbook"), which outlines the benefits, policies, and team member responsibilities within Barton Malow Family of Companies. I understand that it does not constitute a contract or employment and recognize that the company is an at-will employer. I will familiarize myself with the information contained in this handbook.

The information in this handbook is subject to change as circumstances warrant. I understand that changes may supersede, modify, or eliminate the policies in this handbook. These changes in benefits and policies will be communicated to me by my supervisor, or through official notices. Should I have any questions or comments regarding any part of this handbook or this form, I recognize it is my responsibility to contact a member of the People & Culture team to obtain answers or clarifications.
